- 2) Minutes approved.
- 3) Pat provided record of what we have in treasury -- no changes 3267, now using Paypal.
- 4) Ryan agrees to contact Michael about conference, to see if he is still interested; if so we will discuss if we want to officially launch it. Ryan will report back before next meeting.
- 5) Ryan has edited the SWALLT website and made sure that all board members have editing privileges. We discussed modifications at the board meeting. Everyone should review the site.
- 6) Both Ryan and Andrew are advertising SWALLT online and trying to find speakers. Ryan agreed to give the first webinar in November on the Domain of One Zone, an interesting extension to the E portfolio discussion.
- 7) A blogging section has been added to the website. Ryan will start off with the first blog next Thursday, Oct. 10. Trevor will follow on the 17th and Adan on the 24th. It is possible to write a blog in advance and schedule when it will actually appear. Ryan to contact others.
